# WHO WE ARE

Reach for the Stars ATX is an enrichment program for young people based out of Lakeway, TX, focusing around character education, modern manners, and leadership development.

We work with families, schools, and community organizations to equip young learners with the tools for success, both inside and outside the classroom.

We service Austin, San Antonio, Houston, and the majestic TX Hill Country.

# POSITIVITEA

A tea-party inspired workshop on the power of positivity and seeing the teacup as half-full.

**Best for ages 5-8**

# MODERN MANNERS

Not your grandma's finishing school, this workshop centers around courtesy and respect.

**Best for ages 6-10**

# BEING KIND TO THE EARTH

A workshop on being kind to the Earth and how small changes we make at home can have a big impact.

**Ages 6-10**

# SUPER LEADERS

A workshop that combines character education, history, and leadership development by delving into the lives of past super leaders from around the world.

**Best for ages 6-10**

# LOOSE LIPS SINK (FRIEND)SHIPS

A workshop on the subtle yet significant differences between tattling, telling, gossiping and venting.

**Best for ages 8-14.**

# DIGITAL DIPLOMACY

A workshop on internet etiquette, and the importance of being respectful and courteous online.

**Best for ages 8-14**

## LEARN WHILE YOU EARN

Six unique patch programs to suit multiple age groups and interests. Plus, earn a Star Catcher patch to highlight your accomplishments.

## POSITIVITEA

A tea-party-inspired workshop promoting positivity and seeing the teacup as half-full.

Nurturing hearts, minds, and tummies, this uplifting workshop for young learners promotes positive self-talk, grace, and gratitude. Includes a variety of activities and crafts designed to foster positive traits. Brief lesson on English tea etiquette included.

Fancy hats and costumes are highly encouraged!

## MODERN MANNERS

Not your Grandma's finishing school, this course teaches children how to consciously engage with each other in real-life social settings.

Young people will be introduced to guidelines on how to treat others with courtesy and respect. "Please" and "thank you" don't just sound good; this workshop aims to show how words and language have the power to shape our world.

## SUPER LEADERS

Combining leadership, history, and character education, this action-packed workshop encourages skills that benefit learners both inside and outside of the classroom.

What are Super Leaders? Super Leaders are individuals throughout history who have made a significant impact on the world by using their leadership superpowers for good. Examples include Florence Nightingale, Winston Churchill, Eleanor Roosevelt, Nelson Mandela, and Malala Yousafzai.

## BEING KIND TO THE EARTH

A workshop on extending kindness to the Earth.

In this workshop, young people will learn why it's important to extend kindness to our planet. The concept of "Reduce, Reuse & Recycle" will be a focal point, along with introductions to pollution, conservation, and environmental issues affecting the planet. Ideas on ways to protect the Earth will be discussed along with small, incremental changes that we can make at home that make a big impact on Earth conservation.

## LOOSE LIPS SINK SHIPS

A workshop on tattling, telling, gossiping & venting.

Understanding the subtle yet significant differences between tattling, telling, gossiping and venting is hard for people of all ages, much less kids. In this workshop, young people will learn when it's best to keep quiet and when to speak up, and how to speak their minds and express their feelings while being mindful of others.

## DIGITAL DIPLOMACY

A workshop on being responsible and respectful online and protecting others from harmful online behavior.

Netiquette: Digital Diplomacy helps shape a kinder and more positive online world and empowers young people to be polite, respectful, and empathetic digital citizens.

Includes education on cyberbullying awareness and identifying and reporting online predators.
